BODY PROTECTORS

Body Protectors MUST be worn when jumping in any WHP and WH classes Including practice ring at B.S.P.S. Affiliated Shows. (Including Tiny Tots, Cradle and Nursery Stakes, WSP, LRWSP and Training Stakes). Riders must wear a body protector when working in (practice jumps) and the jumping phase in all B.S.P.S. organized and affiliated events. A British Equestrian Trade Association (BETA) approved and appropriately labelled "Level 3 body protector" 2018 (Blue) shown on the label. BETA recommends body protectors are replaced at least every three to five years, after which the impact absorption properties of the foam may have started to decline. Air jackets may be worn. If a member chooses to wear an air jacket, they are allowed in addition to a normal body protector which meets BETA 2018 level 3 standard. Air

jackets must not be worn under any jacket or body protector, and numbers must be fitted with elasticated fastenings. When an air jacket inflates the sudden noise can startle horses, thereby causing difficulties for other members in confined areas e.g. Indoor schools and menages. Therefore, air jackets are not encouraged to be used in those areas except for medical reasons. Whilst not compulsory at this show in Horse Worker classes, we do recommend they are worn.
